RE: BECOMING A GOOD STEWARD IN 2014

Do you know what God expects of you?

Believe it or not, God has very definite plans for each one of us. He has blessed each of us with a unique set of gifts, skills, talents and resources so we can play a special role in building up the kingdom of God here on earth. To know God's plans for us, we simply need to pray:

Lord, what do You want me to do with all the gifts You have given me?

The stewardship department humbly requests each person to take some time in the days and weeks ahead to reflect on this question. When many of us hear the word "stewardship" we often think that it is all about money. That is not the case. Stewardship is all about doing what God wants us to do with the gifts He has given us. The challenge is that we cannot know what God wants from us unless we spend some time every day communicating with God.

This year I am asking you to do three simple things:

- 1. Make a commitment to spend more time in communication with God.**
 - Consider starting or joining a Bible study or prayer group.
 - Try starting your day with a few minutes of quiet prayer and ending your day with spiritual reading.
- 2. Ask God how you can use your gifts in His service at KSDA and commit to it.**

Listen to hear if God is calling you to a more active, conscious participation in our church – sharing your time, talents and treasure.

 - Consider volunteering to help in any of the running departments
- 3. Make a firm commitment to God to allow HIM to use you at Kelvin SDA.**
 - God promises us that He will always give us all that we need. I believe that is true for us as individuals and as a church. Kelvin SDA has great needs. We need more financial support. We need more people to be involved in our ministries. I am confident that God will give our church what we need through you. Please ask God what He is calling you to do to build up our church.
 - Consider finally moving your membership and becoming a full member
 - Consider contributing monthly to the church budget and our building ministry.
 - Consider making this the year you commit to faithfully returning tithe

I thank God for you and all the ways that you give or will give so generously of yourself, your time, talent and treasure.

Yours in Christ,
