

Dear Kelvin SDA member / attendee

RE: 2014 Q2 ENCOURAGEMENT

The Stewardship Way of Life is a very helpful way to make our faith come alive! As Christian stewards, we are invited to become grateful witnesses of Jesus Christ in our homes, our workplace, our community, our church – our world.

I am writing this letter as quarterly encouragement to all Kelvinites that made a commitment to be better stewards in 2014. We are now in the second quarter of the year and I hope you are even stronger in your resolve to be good stewardship.

Please review your commitment form regularly to assist you to remain on track with your goals. If you did not complete a commitment form during the program, I have attached one for your benefit. It is never too late to start.

1. Do you have a spiritual gift to share, which you discovered during elder Thula Nkosi's recent programme? Feel free to contact the relevant department leader, the names are on the commitment form.
2. Have you been faithfully remitting tithe or are a new tithe remitter? Kindly email treasury with your breakdown of fund allocation and request receipts, should there be any outstanding. The commonest reason people do not receive receipts is because their deposits do not reflect the name of the depositor.
3. Have you started using your talents to the benefit of God's work at Kelvin or elsewhere?
4. Have you started supporting the local church budget and building ministry?
5. Have you finally moved your membership?

Through your generosity of self, we are able to share in the love that Jesus gives us. By giving of your time in prayer, talent and treasure, you enable our church to continue to grow; thus enabling us to continue our ministries and to plan for the future of Kelvin SDA Church. Thank you again for your generosity. May God bless you and your family as you help build up God's Kingdom in all aspects of your life!

Yours in Christ,
